RE: LONSDALE AT 14TH
Our Thanks for a Job Well Done

Dear Kyle:

We are writing this unsolicited letter to thank you for your efforts and your contribution to the success of our project on 14th and Lonsdale. It has been a pleasure for both Tony Boot and myself to work with you on this project.

You have consistently performed as you promised. You have often performed better than you promised. We have been impressed by your organization both on the work site and in the office. The worksite ran smoothly with a minimum of overtime. Your repair work was addressed promptly and usually without our instigation.

Again, our thanks for a job well done.

Yours truly,

STUART OLSON CONSTRUCTORS INC.
